

## Driving Services For Prom Night

PORT JERVIS — Fort Knox Self Storage & Fort Knox Wash & Roll is offering a designated Driving Service for Prom Night Friday May 17, for Delaware Valley High School and Friday June 17, for Port Jervis High School.

Give us the keys please. We will secure your car and get you home safely!

We will be a designated driver service that delivers the most precious commodity "our youth" back home safely. No matter why the person feels they cannot get home, we will go get them. It is not for us to interrogate them as to who, what, where and why but we will simply pick them up with uniformed drivers from Fort Knox and get them home.

All Fort Knox employees are licensed drivers with clean backgrounds. We are members of this community. We are a local self storage, car wash & real estate company owned by West & Beth Solloway. West is always trying to give back & Beth is a teacher and completely understands the need for this service. Colleen Hodgins is our operations manager with a daughter Katie Hodgins graduating from DVHS. The entire team at Fort Knox cares about our town. If we can avoid one incident then it is all worth it. Thinking about the three F's (Family, Friends and Future) Fort Knox is offering this service free of charge. No tips will even be accepted!

Step 1: Call 888-9-Fort-Knox

Press 0 for operator

Step 2: We dispatch drivers to your location

Step 3: We drive you home safely!

Fort Knox was featured in the Pike County Dispatch for both our coming Driving Services for the Prom Season. When anybody on Prom night has any reason why they need a ride home or don't feel comfortable to drive...we had our phones on to be there for you.
